

Friction Materials & Phenolic Bearings

FLAT SHEET STOCKING PROGRAM

May 6, 2013

Dear Customer,

Scan-Pac Mfg., Inc. is excited to announce that beginning May 20 2013, we will offer stock on RF38 and GMH material flat sheets. These sheets will be available in the quantities and sizes listed below. With this new flat sheet stocking program, we will ship flat sheet orders from the list below on the same day, if the order is received by 10:00 AM Central Time. Orders received after 10:00 AM will ship the next business day.

SHEET SIZE	MATERIALS	STOCKING QUANTITY
1/8" x 30" x 30"	GMH & RF38	10 sheets of each material
3/16" x 30"x 30"	GMH & RF38	10 sheets of each material
¼" x 30" x 30"	GMH & RF38	10 sheets of each material
5/16"X 30"x 30"	GMH & RF38	10 sheets of each material
3/8"x 30" x 30"	GMH & RF38	10 sheets of each material
½" x 30" x 30"	GMH & RF38	10 sheets of each material

In addition to flat sheets, Scan-Pac plans to release a new Quick Build program for all of the arced rigid molded parts that we offer. This program will include Overhead Crane linings, Crane Shovel and Dragline, Lift Truck, and Steering and Wheel sets. Please watch for more details on the Quick Build program in June of this year.

Scan-Pac Mfg. is a manufacturer of non-asbestos friction materials and phenolic laminates for use in a wide range of industrial and oilfield applications. The company has three manufacturing locations that include two facilities located in Menomonee Falls, Wisconsin and one in Magnolia, Texas. Scan-Pac employs 125 people and has proudly been in business for over 40 years.

Thank you for your business and continued support. Please contact us if you have any questions.

Regards,

Jeff Lichey
Sales & Marketing Manager
