

GEMINI WOVEN MATERIAL IS READY TO SHIP

September 11, 2009

Dear Distributor:

We are pleased to announce that our new Gemini woven friction material is now ready to ship from our Magnolia, Texas facility. Gemini woven material is priced competitively and maintains the high quality standards you have come to expect from Scan-Pac.

You can find the Gemini woven product data sheet on our website. Just click on Gemini Friction Products, and then click on Technical Product Data sheets.

As a special promotion and introduction of our new Gemini woven, we are pleased to offer free shipping on your first order of any dollar amount until September 30, 2009.

Please feel free to contact us if you have any questions.

Thanks and best regards,

Jeff Lichey
