## S<sub>can-Pac</sub> News:

For Immediate Release:

Scan-Pac Mfg. is pleased to announce the addition of Jeff Lichey as its Sales Manager effective June 9, 2008.

Jeff brings valuable experience in the friction industry to Scan-Pac, serving most recently as OEM Account Manager for HB Performance Systems (Hayes Brake). HB Performance is a manufacturer of disc brakes for motorcycles, bicycles, ATVs, snowmobiles, and construction equipment. Jeff's knowledge of brake systems at HB Performance and past history with Scan-Pac's friction materials make him ideally suited to bring value to Scan-Pac's customer base.

Scan-Pac Mfg., a manufacturer of non-asbestos friction materials and phenolic bearings for use in a wide range of industrial and oil field applications, has two manufacturing locations, Menomonee Falls, WI and Magnolia, TX, employees approx. 100 people and has been in business for almost 35 years.
